

Request for Proposals 2018 - 2019

BACKGROUND & PURPOSE

The Uncork for Hope Foundation, founded in 2017, is a 501(c)(3) organization whose mission is to empower at-risk youth through community partnerships. By providing grants to other charitable institutions, we are encouraging the creation of novel and innovative programs that are designed to give new opportunities to at-risk youth. If a new idea is presented, we are interested in learning more. If disaster strikes, as it recently did with the fires in wine country, we continue to be agile and provide funding for those in need. Most importantly, we are building a community that will help make sure every child goes to sleep realizing they are loved.
